CM: Board of Directors & Drive for Vision Committee

Q: What is your favorite thing about being a Lion?

- **CM:** Connecting with an incredible group of professionals who provide so much value to vision, which has been my lifelong career.

Q: If you were talking with someone considering being a Lion, what advice would you have to share?

- **CM:** I would share my experience has been positive and a growth opportunity as the Rookie, being involved as a board member, the value of our service org to the visually impaired, the joy of participating in our annual Christmas shopping project, and the experience for my son and me when we participated in a mission trip together.

I would encourage new members to make an extra effort to discover all the opportunities the club has to offer and to dive in and find one or two areas you may become passionate about.

Q: When not at Lions, what do you like to do for fun?

- **CM:** Water and snow skiing are my two favorite sports and we relax at our cottage in N. Michigan. I also began strength and weight training a year ago and it has become another passion!

HISTORY IN THE MAKING - NEEDS YOU

With over 100+ years of history, the Grand Rapids Lions Club - your club - is one of the oldest Lions clubs in the world. To keep this wonderful history alive and continue in recording the legacy, the club is seeking a small number of Lions who can assist in digitizing our history and events as they happen. Ensuring this history is not lost is vital and can be done at your own pace, and in the comfort of your own home.
