

**PROJECTS NIGHT**  
**OCTOBER 19, 2023**

Lions! **SAVE THE DATE** for this year's Projects Night. It should prove to be quite informative and fun. **There is a NEW FORMAT!!!**

Imagine The Bachelor meets Speed Dating!!! There is NO main speaker, but each project will be set up around the room at a table surrounded by chairs. Every Lion can pick the projects they want to hear and learn about, for only 5-7 minutes. Then a "whistle" will sound and the Lions will move to the next project they want to hear about and so on and so forth. There will be eight projects represented and six "Speed Dating" sessions, so you will pick what sessions you want. Every attendee will have a "Speed Dating" pass card, which the project presenter will stamp when you visit their project. There will be a drawing for door prizes for all those with six stamps on their cards.
