

Dear Lions of Michigan – members and friends,

Greetings from Uganda.

We are thrilled to inform you that we have received the funds for the construction of our community project, and the work is already in progress. This milestone would not have been possible without your generosity and commitment to making a real difference in people’s lives.

On behalf of our entire community, we extend our heartfelt gratitude for your support. Your contribution is not just building a structure—it is building hope, opportunity, and a brighter future.

We will keep you updated with photos and reports as the project advances, and we look forward to celebrating its completion together.

With deepest appreciation,

Byakagaba Joel
